Selling Point 1

This is your chance to list the three most important things that convince people to convert.

Selling Point 2

This is your chance to list the three most important things that convince people to convert.

Selling Point 3

This is your chance to list the three most important things that convince people to convert.

Placeholder headline

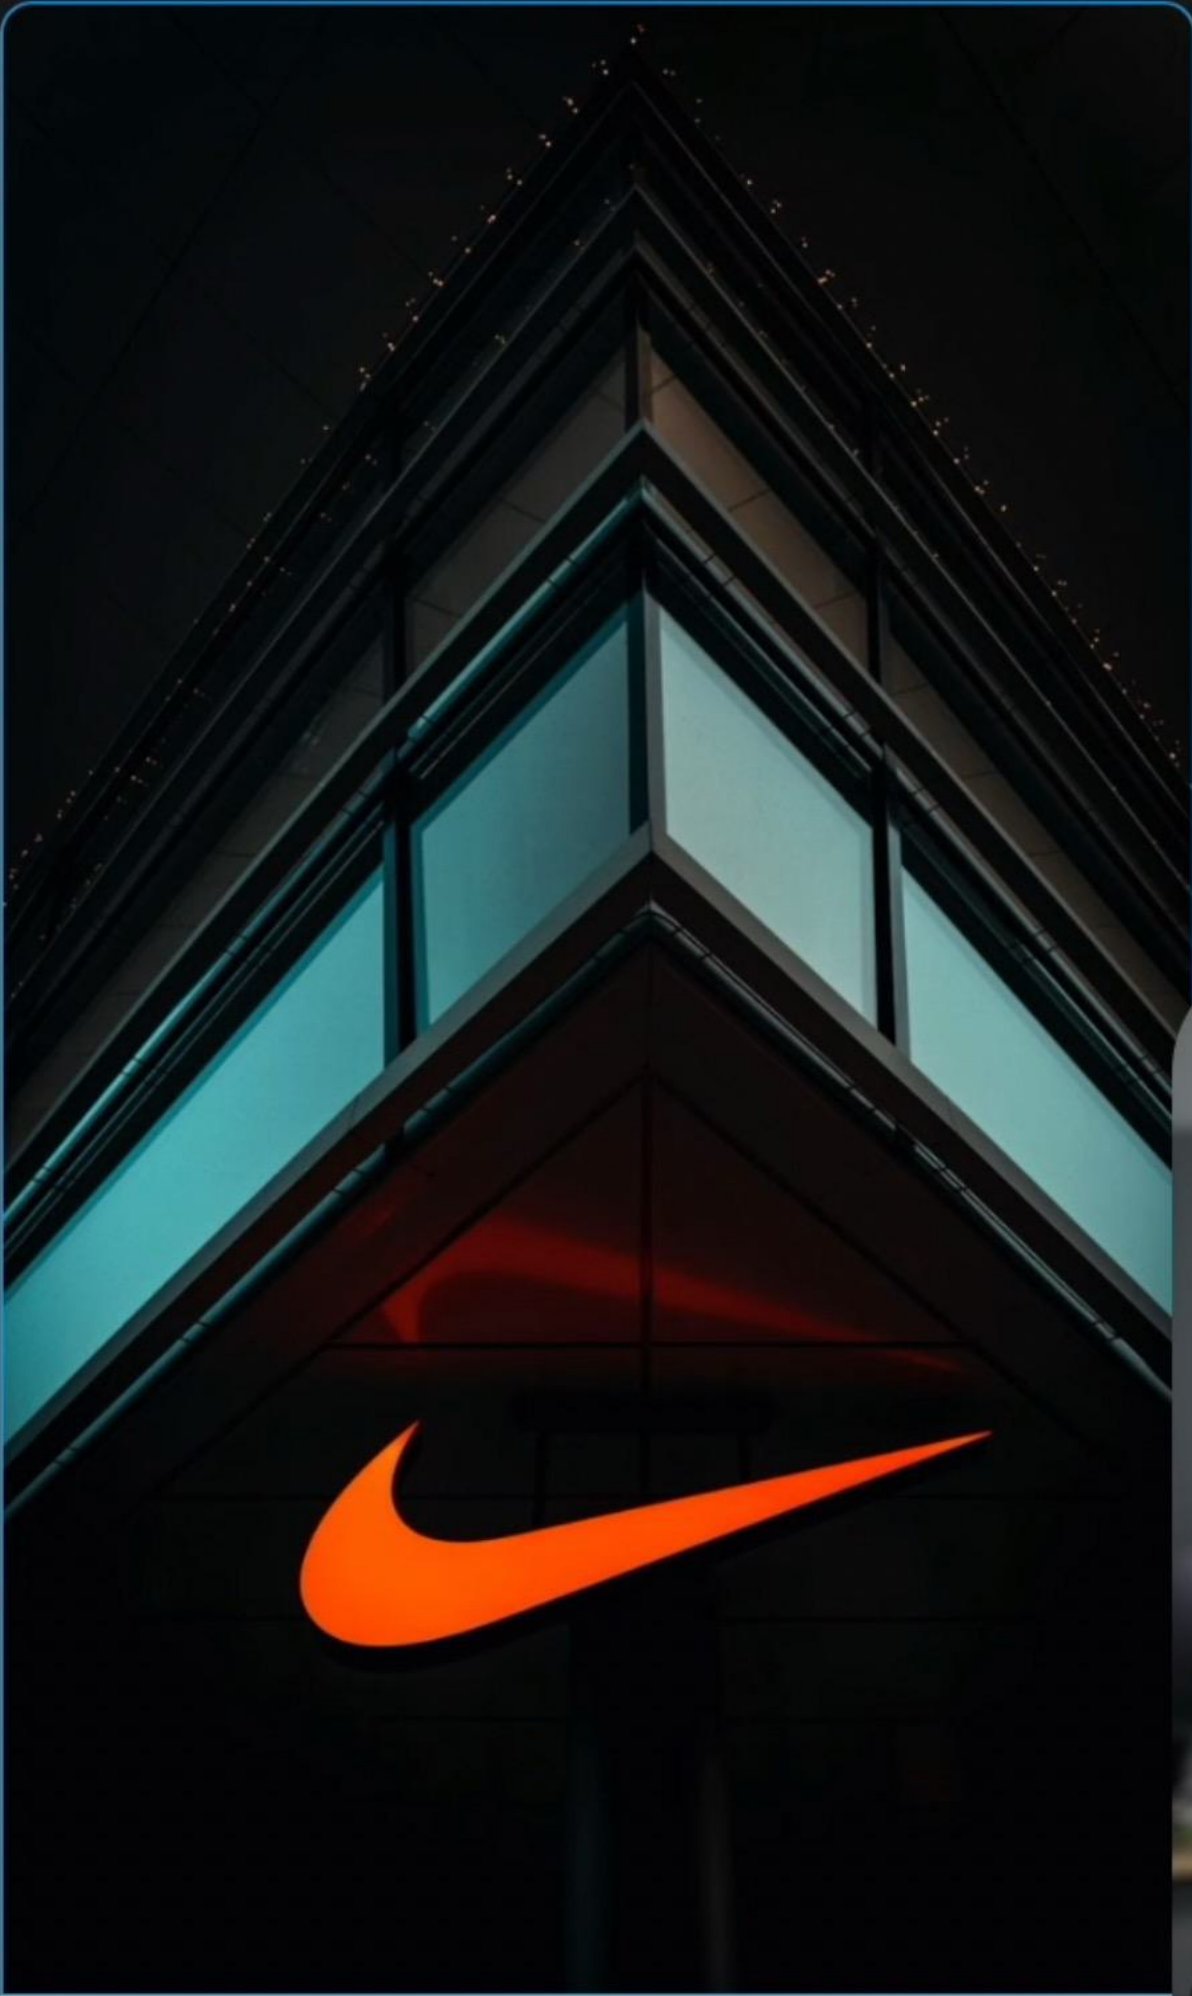

This is just placeholder text. Don't be alarmed, this is just here to fill up space since your finalized copy isn't ready yet. Once we have your content finalized, we'll replace this placeholder text with your real content.

Sometimes it's nice to put in text just to get an idea of how text will fill in a space on your website.

Traditionally our industry has used Lorem Ipsum, which is placeholder text written in Latin. Unfortunately, not everyone is familiar with Lorem Ipsum and that can lead to confusion. I can't tell you how many times clients have asked me why their website is in another language!

The inverse of 95 is 5 (we work with Lightness values here)

The image shows a web browser window displaying a design tool interface. The browser's address bar shows the URL 'acss-101.sandbox.automaticcss.com'. The design tool has a dark sidebar on the left with various icons and a main canvas area. The sidebar includes sections for 'Main Colors', 'Semantic Colors', and 'Color Scheme'. The 'Neutral' color is highlighted in the 'Main Colors' section. The main canvas displays a landing page layout with a red background, a Nike sneaker image, and placeholder text for a headline and three selling points. The headline reads 'Write a compelling headline that sells'. Below it is a paragraph of placeholder text: 'This is just placeholder text. Don't be alarmed, this is just here to fill up space since your finalized copy isn't ready yet. Once we have your content finalized, we'll replace this placeholder text with your real content.' Below the paragraph is a red button labeled 'Call to action'. The three selling points are titled 'Selling Point 1', 'Selling Point 2', and 'Selling Point 3', each followed by placeholder text. At the bottom of the canvas, there is a section titled 'Placeholder headline' with more placeholder text. The browser's status bar at the bottom shows the time as 08:05 and the battery level as 23:38.

One of the possible use cases is calling the Color Scheme with a Variable

The image shows a web browser window displaying a design tool interface. The browser's address bar shows the URL 'acss-101.sandbox.automaticcss.com'. The design tool has a dark theme. On the left, there's a sidebar with various tool icons and a 'Heading' panel. The 'Heading' panel shows a variable '.color-scheme--alt' being used. A yellow callout box with a yellow arrow points to this variable, containing the text 'You can use this Var also on individual elements like the H1 here'. The main canvas shows a landing page layout. The hero section has a red background with a Nike sneaker. Below it are three columns for 'Selling Point 1', 'Selling Point 2', and 'Selling Point 3'. The footer has a dark background with a placeholder headline and text. On the right, there's a 'Structure' panel showing the page hierarchy. In the bottom right corner, there's a small video inset of a man with a beard and glasses, wearing a cap, speaking. The macOS dock is visible at the bottom of the screen.

The image shows a web browser window with the address bar displaying 'acss-101.sandbox.automaticcss.com'. The website being viewed has a dark theme. The main content area features a large hero section with a red background and a high-quality image of a red Nike sneaker. Below the hero section, there are three columns of text, each starting with a 'Selling Point' heading. The text in these columns is placeholder text. At the bottom of the page, there is a section with a 'Placeholder headline' and another line of placeholder text. A yellow callout box with black text is overlaid on the hero section, stating: 'To change the whole site into Dark or Light you can either use a Toggle switch or look at the users Browser settings'. The browser's sidebar on the left contains various icons for social media, development tools, and a 'Dev' section. The right sidebar shows a 'Structure' panel with a tree view of the page's components, including 'Hero Victor', 'Main Row', 'Content Wrapper', 'Heading', 'Lede', 'Button', 'Media Wrapper', 'Feature Row', 'Content Section Quebec', and 'Footer Mike'. The browser's status bar at the bottom shows the time as 11:17 and the battery level as 20%.

A composite image showing a web browser window, a macOS sidebar, a system menu, and a video player. The browser window displays a website with a dark header, a main content area with text and a video, and a footer with navigation links. The macOS sidebar on the left shows a grid of app icons and a list of open tabs. A system menu is open on the right, showing various settings like Wi-Fi, Bluetooth, and Appearance. A video player in the bottom right corner shows a man wearing a cap and glasses. A yellow callout box with the text "User switch to Dark" is overlaid on the system menu. A red call to action button is visible in the bottom right of the browser window.

The image is a composite of three main visual elements. At the top, a web browser window displays the URL 'acss-101.sandbox.automaticcss.com' and a page with placeholder text and images. Below the browser, on the left, is a dark-themed sidebar for a design tool. This sidebar contains a 'Scheme Protections' section, which is highlighted with a yellow rectangle. Inside this section, there is a toggle for 'Lock Specific Selectors' and a mouse cursor icon. To the right of the sidebar, a video call overlay shows a man with a beard and glasses, wearing a cap, speaking. The background of the video call is a dark, stylized image of a building's corner. At the bottom of the image, a macOS dock is visible, showing various application icons including Safari, Calendar (showing June 19), Photos, Music, Spotify, Messages, and others. The overall scene suggests a tutorial or demonstration of a web design tool.

The image is a composite of three main visual elements. On the left is a vertical sidebar containing a grid of social media icons (Google, Facebook, YouTube, etc.), a list of links including 'Frames.io', 'Frames (Bricks)', 'Icons', 'ACSS.com', 'Envato Elements...', 'Inspiration' (with 'Huemint - AI col...' and 'Lapa.ninja'), 'Pull Requests', 'Tools', and a 'New Tab' button. Below these is a 'Home (Builder)' button and a tab for 'acss-101.sandbox...'. In the center is a web browser window showing the URL 'acss-101.sandbox.automaticcss.com'. The browser's address bar and tabs are visible. The website content includes a navigation bar with 'Home' and 'Save', a 'Tertiary' section, an 'Accent' section, a 'Base' section, and a 'Neutral' color picker. Below these are 'Semantic Colors' (Success, Warning, Info, Danger) and a 'Color Scheme' section with 'Current Design' and 'Auto Color Scheme' (checked). A yellow box highlights the 'Scheme Protections' section, which includes 'Lock Specific Selectors' (checked) and a text input field containing '"header", ".hero"' with a cursor icon. The main content area of the website has a large heading 'Placeholder headline' followed by three paragraphs of placeholder text and a 'Call to action' link. On the right side of the website is a large image of a person's legs wearing sneakers. In the bottom right corner is a video call window showing a man with a beard, glasses, and a cap, with his mouth open as if speaking. The background of the video call is a dark, stylized image of a building. At the very bottom of the image is a macOS dock with various application icons (Safari, Calendar, Photos, etc.) and a system status bar showing the time as 17:28.

Howdy, luxivihiju4240

Traditionally our industry has used Lorem Ipsum, which is placeholder text written in Latin. Unfortunately, not everyone is familiar with Lorem Ipsum and that can lead to confusion. I can't tell you how many times clients have asked me why their website is in another language!

Call to action →

In the Inspector you can simulate Modes. But this is not going to work with ACSS because the system is not working with Emulators

Put a call-to-action here that makes sense to have on every page of the website.

Put a global call to action here. Its prominent position means it's the first thing users see when they land on the page. It's a great place to put a call to action (assuming you have a compelling offer).

Call to

The image shows a web browser window with a dark theme. The address bar displays 'acss-101.sandbox.automaticcss.com'. The browser's sidebar on the left contains various icons and a list of tabs, including 'Frames.io', 'Frames (Bricks)', 'Icons', 'ACSS.com', 'Envato Elements...', 'Inspiration', 'Huemint - AI col...', 'Lapa.ninja', 'NiceVeryNice', 'Pull Requests', and 'Tools'. The main content area of the browser shows a landing page design. At the top, there's a 'Frames Color Scheme Switch' button. Below it, the page has a hero section with a red background and a Nike sneaker image. The text on the page includes 'Write a compelling headline that sells' and 'This is just placeholder text. Don't be alarmed, this is just here to fill up space since your finalized copy isn't ready yet. Once we have your content finalized, we'll replace this placeholder text with your real content.' There are three columns of text below the hero section, each starting with 'Selling Point 1', 'Selling Point 2', and 'Selling Point 3'. A video player is visible in the bottom right corner, showing a man speaking. The browser's developer tools and sidebar are open on the left, and the macOS dock is visible at the bottom.

The image is a screenshot of a web browser window displaying a landing page for 'ACSS' (Automatic CSS). The browser's address bar shows the URL 'acss-101.sandbox.automaticcss.com'. The page has a dark theme. On the left, there is a sidebar with various tool links, including 'Frames.io', 'Frames (Bricks)', 'Icons', 'ACSS.com', 'Envato Elements:...', 'Inspiration', 'Huemint - AI col...', 'Lapa.ninja', 'NiceVeryNice', 'Pull Requests', and 'Tools'. The main content area features a toggle switch at the top left, a headline 'Write a compelling headline that sells', a paragraph of placeholder text, a red 'Call to action' button, and three columns for 'Selling Point 1', 'Selling Point 2', and 'Selling Point 3'. A large image of a red Nike sneaker is on the right. A video player at the bottom shows a man speaking. The browser's status bar at the bottom shows the time as 21:46 and the date as JUN 19.

Write a compelling headline that sells

This is just placeholder text. Don't be alarmed, this is just here to fill up space since your finalized copy isn't ready yet. Once we have your content finalized, we'll replace this placeholder text with your real content.

Call to action

Selling Point 1

This is your chance to list the three most important things that convince people to convert.

Selling Point 2

This is your chance to list the three most important things that convince people to convert.

Selling Point 3

This is your chance to list the three most important things that convince people to convert.

It will not work if you change the setting in the OS

This is because the user decided for a specific Color Scheme and this decision overwrites the OS setting

The image is a composite of several elements. At the top, a browser window shows a website in dark mode. The website's header has a navigation bar with links like 'Platform', 'Pricing', 'Free trial', 'Community', 'Learn more', 'Products', and 'Marketing'. The main content area has a dark background with yellow text and a purple call-to-action button. A yellow speech bubble with the text 'In ACSS they're also visible in Dark Mode' is overlaid on the right side of the website. Below the website, another yellow speech bubble with the text 'But what if you don't want them to invert?' is overlaid. To the right of the speech bubbles, there is a video inset showing a man with a beard and glasses, wearing a cap, speaking. The background of the entire image is a dark, textured surface. At the bottom, a macOS dock is visible with various application icons.
