A big mistake that many service-oriented companies make is to create the services as pages. But you can't filter them, for example, because they don't have taxonomies.

Will Contests

A will or trust "contest" is when one party attempts to invalidate a will or trust, while the other party defend the validity of the document. Most contests are brought on the grounds of incapacity, undue influence, or fraud.

Read More →

Conservatorships

Our lawyers have extensive experience with conservatorships – a court proceeding designed to protect elders or dependent adults who may be unable to care for themselves or to resist fraud or undue influence.

Read More →

Securities Arbitration and Litigation

Gordon Young leads our securities litigation practice. For more than 25 years, Gordon has favorably litigated and tried cases in state and federal courts.

Barr & Young ATTORNEYS Practice Areas Professionals Blog

CALL US: (925) 660-7544 Get Assistance →

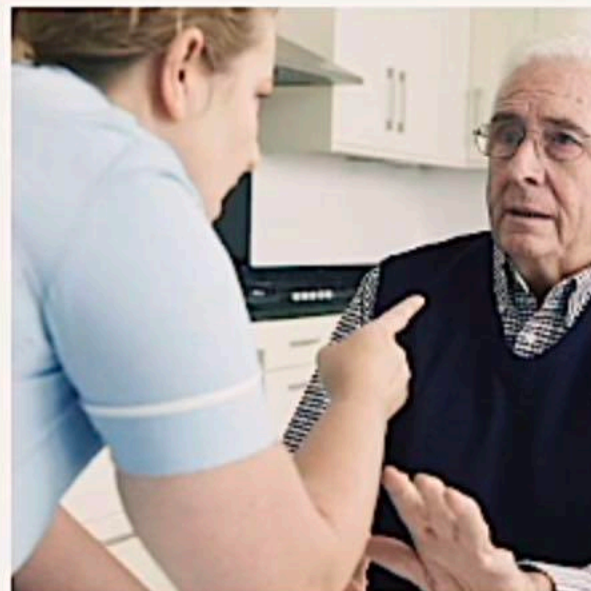

Barr & Young Attorneys → Practice Areas

Litigation

Represent trustees, beneficiaries, and heirs in disputed and trust litigation matters. Attorneys are experienced at negotiating, mediating, and settling disputes.

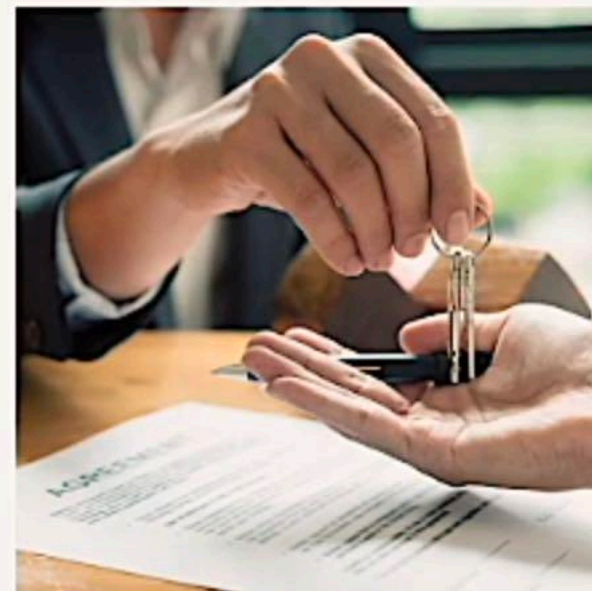

[Read More →](#)

Elder Abuse

Elder abuse is the physical abuse, neglect, isolation, or financial abuse of a person over age sixty-five. Barr & Young represents victims of elder abuse and defends clients wrongfully accused of elder abuse.

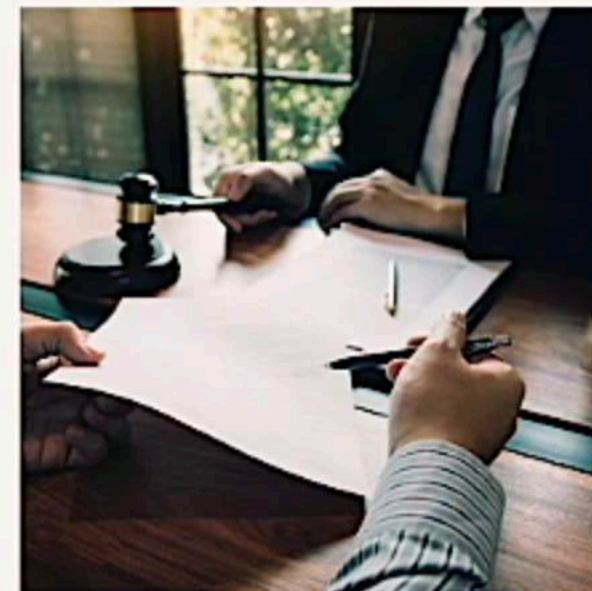

[Read More →](#)

Estate Planning

Estate planning is a central component of a responsible financial plan, and the need to hire an estate planning lawyer increases as one has children and gets older.

[Read More →](#)

Trust Administration

We guide trustees and executors through the trust administration or probate process, by which assets owned by a decedent are transferred to the beneficiaries.

We can achieve this with a pseudo element that is positioned absolutely. Problem: Bricks automatically sets every element to 'relative'.

Note: This is no longer the case in the current version!
